**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Mobile connectivity in Japan and South Korea already put our hardwired Internet speeds to shame. If you consolidate the US telecom market, the remaining providers will have less incentives to improve their services.

Please allow healthy competition to stimulate the US telecom market for a better Internet and for the consumer.

Thank you.
